Agenda Items

Mr. Tony Perez and Mr. David Jacobs would like to give the council a minimum of biweekly updates aside from their monthly updates.

Bond bill application has already been presented to the sponsors Senator Augustine & Delegate Fennell. Thanks CM Tarr for all her input to assist LA Perez to understand the projects for the town.

Ms. Teresa is working with the Police Chief on the speed camera bill to get school zones as red camera areas. The delegation is prioritizing Delegate Harrison's bill and although it's not the exact bill that the town was requesting that it can incorporate the overall goal of the town's vision.

Mr. Jacobs stated that the Chief's testimony helped with moving the school safety legislation along.

From the Senate's standpoint it is important to get safety in order.

The sponsors are working aggressively to ensure that the town's priority is moving along.

Council Meeting

FYI...public hearing 2/2/21 at 5pm. Normally it is a 90-day session, but rumors say 75 days. They are currently allowing either the Senate or the house at the floor at different times.

The work has been done to get the town's legislation on the floor.

The normal process for the appropriations committee is to usually have someone testify and someone from the town may need to testify.

CM Monroe asked if the bills coming out tomorrow have any impact on the town? Mr. Perez answered that they are not sure due to the current circumstances.

CM Monroe asked if the past updates may be sent to the council and when should the next update happen? Mr. Perez stated that he usually sends updates around the 15th of the month.

Motion to Adjourn at 12:31 pm made by CM Monroe. 2nd by CM Burgess. All in favor.

Mayor, Rocio Treminio-Lopez
