### Leaf Season is Here!

It's that time of year again. Leaf season is upon us. The BRENTWOOD MAINTENANCE DEPARTMENT will begin leaf vacuuming on Monday, October 16, 2017. Please refer to the provided Leaf Sweeping Schedule for the days your street will be vacuumed. On the evening before your designated day, you may rake the leaves from your property and property line into the street, along the curb for vacuuming. Please remove all trash, sticks and like debris. Leave containing foreign objects will not be collected!! You may also bag the leaves into large paper bags or clean cans and place them at the curb for Wednesday pick up. Plastic leaf bags cannot be used in this county. You can also give bags of leaves to neighbors who have compost bins. Please be sure your vehicles are not on the street when vacuuming is scheduled. The Maintenance Dept. WILL NOT clean near vehicles!

Please have your leaves out by 7am. The truck will NOT make repeat trips on the same scheduled day. In case of rain, sleet, ice, snow or other emergency, leaf sweeping will be suspended. There will be no leaf vacuuming on Thursday, November 23rd (Thanksgiving Day).

The last leaf sweeping day will be Friday, December 29, 2017.
