RESOLUTION 2017-13**

**A Resolution of the Mayor and Council in Support of the Federal Deferred Action for  
Childhood Arrivals and Temporary Protected Status Programs**

**A RESOLUTION** for the purpose of calling on Congress to protect the Temporary Protected Status (TPS) and Deferred Action for Childhood Arrivals (DACA) and reject any initiatives that will separate immigrant families;

**WHEREAS:** The Town of Brentwood is committed to and maintains a long history of supporting, celebrating, and empowering immigrants and refugees, many of whom are escaping war and natural disasters, regardless of their immigration status; and

**WHEREAS:** Temporary Protected Status (TPS) is a form of immigration status created by Congress in 1990 that provides employment authorization and protection from deportation for foreign nationals who cannot safely return to their home countries; and

**WHEREAS:** In light of the Trump Administration's increase of anti-immigrant enforcement through executive orders, funding requests, and policy guidance, the continued existence of TPS is very much at risk; and

**WHEREAS:** The Trump Administration is currently deciding whether to terminate the Temporary Protected status for all current TPS holders, more than 434,588 people from 10 designated countries including 263,000 people from El Salvador, the source country of the largest number of immigrants in the region; TPS holders in the United States are from 10 Designated Countries including: El Salvador, Haiti, Honduras, Nepal, Nicaragua, Somalia, Sudan, South Sudan, Syria and Yemen set to expire at the end of this year and beginning of 2018; and

- WHEREAS:** It is estimated that ending TPS for immigrants from El Salvador, Honduras, and Haiti would result in a more than \$6.9 billion reduction to Social Security and Medicare Contributions over a decade, and the deportation of these individuals would cost taxpayers more than \$3.1 Billion Dollars; TPS holders are tax paying residents, home and Business owners, in outstanding legal standing; and
- WHEREAS:** TPS holders have significantly high levels of labor force participation: 94.0% of men and 82.1% are working, with 83.3% of men and 54.9% of women working more than 40 hours per week; and
- WHEREAS:** Deferred Action for Childhood Arrivals (DACA or Dreamers) is a form of immigration status for young immigrants who were brought to the United States at a young age, are attending school or have successfully completed their education, and successfully passed background checks. The program has allowed young immigrants to work and study and has protected them from deportation; and
- WHEREAS:** DACA has been a resounding success. Nearly 800,000 young men and women have been able to contribute to their communities, to work, go to school and to live their lives without fear of being ripped away from their families and from a country they consider home; and
- WHEREAS:** Maryland has over 9,700 Dreamers who have deep roots throughout the state, including in the Town of Brentwood and if immigrants with DACA status are not provided with an alternate option to legalize their status, Maryland will lose more than \$500 million annually in Gross Domestic Product; and
- WHEREAS:** The Town of Brentwood recognizes the overwhelmingly positive contribution that TPS holders and Dreamers have on our economy, social fabric, diversity and the well-being of our community;
- NOW THEREFORE BE IT**
- RESOLVED:** That the Town of Brentwood, Maryland supports the Temporary Protected Status program and calls on the Department of Homeland Security to continue the TPS program and support refugees escaping war, natural disasters and crime; **AND BE IT FURTHER**
