WOMEN'S HISTORY MONTH

MES DE LA HISTORIA DE LA MUJER

March is Women's History Month and this month the Lamplighter is spotlighting Brentwood's first female mayor, Isabella Callahan.

Callahan was mayor of Brentwood from 1995-1997 and again in 1999. Born in Scotland, Callahan moved to Brentwood in 1963 and worked as a crossing guard at Brentwood Elementary School and as a teacher's aid for over thirty years at Brentwood and Mt. Rainier Elementary Schools. Before becoming mayor, Callahan served on town council and continued serving on town council when she concluded her term as mayor. Altogether Callahan served the town of Brentwood for 12 years.

Outside of her council work, Callahan was an important part of the community for many years. She was a Boy Scout leader; a member of the Brentwood Civic Association and she was instrumental in organizing grassroots efforts in the early 1990's to keep Brentwood safe with her neighborhood vigils and neighborhood watches.
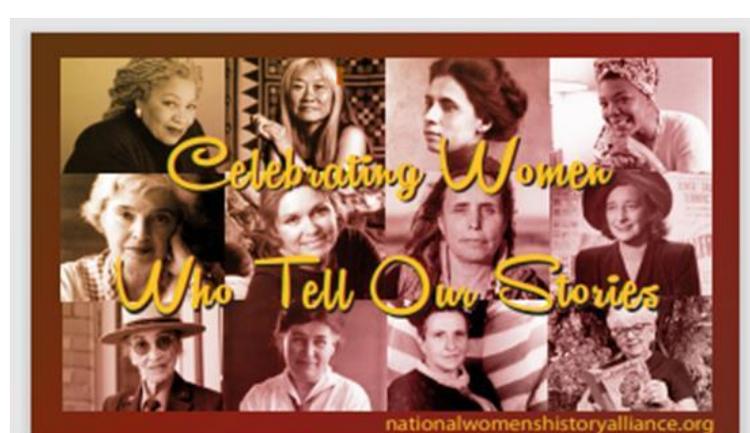

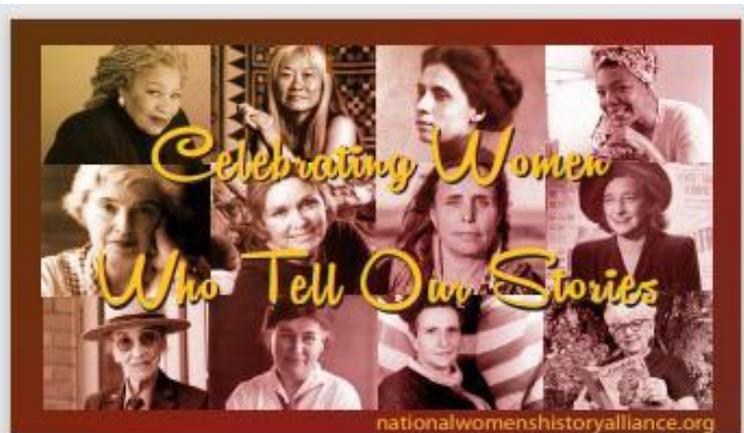

A life-long supporter of Law Enforcement, Callahan would weave beautiful quilts to support various fundraisers including the National Law Enforcement Officers Memorial in Washington DC and the Maryland Municipal League. Callahan retired to Ocean Pines, Maryland where she passed away in 2011.

Marzo es el Mes de la Historia de la Mujer y este mes el Lamplighter destaca a la primera alcaldesa de Brentwood, Isabella Callahan.

Callahan fue alcaldesa de Brentwood de 1995 a 1997 y nuevamente en 1999. Nacida en Escocia, Callahan se mudó a Brentwood en 1963 y trabajó como guardia de cruce en la Escuela Primaria Brentwood y como ayudante de maestro durante más de treinta años en las Escuelas Primarias Brentwood y Mt. Rainier. Antes de convertirse en alcaldesa, Callahan sirvió en el consejo municipal y continuó sirviendo en el consejo municipal cuando concluyó su mandato como alcaldesa. En total, Callahan sirvió a la ciudad de Brentwood durante 12 años.

Fuera de su trabajo en el consejo, Callahan fue una parte importante de la comunidad durante muchos años. Fue líder de los Boy Scouts, miembra de la Asociación Cívica de Brentwood y jugó un papel decisivo en la organización de los esfuerzos de base a principios de la década de 1990 para mantener a Brentwood a salvo con sus vigilias y guardias vecinales.

Una partidaria de toda la vida de la aplicación de la ley, Callahan tejía hermosas colchas para apoyar a varios recaudadores de fondos, incluido el Monumento Nacional a los Agentes de la Ley en Washington DC y la Liga Municipal de Maryland. Callahan se retiró a Ocean Pines, Maryland, donde falleció en 2011.

March is Women's History Month

PROCLAMATION

2023 WOMEN'S HISTORY MONTH

WHEREAS, In honor of *Women's History Month,* we celebrate all of the achievements and contributions women have made. Throughout the history of our nation, women have played a crucial role in advancing social justice, led groundbreaking scientific discoveries, enriched our culture with remarkable works of art and literature, charted bold directions in our foreign policy; and

WHEREAS, The National Women's History Alliance, which creates and promotes National Women's History Month each March, has announced *"Celebrating Women Who Tell Our Stories"* as the 2023 theme; and

WHEREAS, This month we are encouraged to recognize women, past and present, who have been active in all forms of media and storytelling. Throughout their careers and lives, women from every part of society have devoted their lives and talents to producing art and news, pursuing truth, and reflecting the values of our society; and

WHEREAS, Women's history is one of resilience, and women went from being denied the right to vote or hold public office until the early 1900s to our country's first female Vice President being elected to office in 2020; and
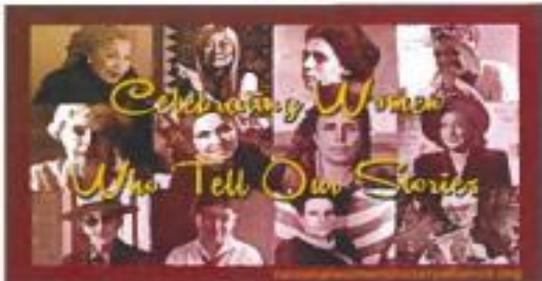

WHEREAS, Women of the United States have stories to tell about their scientific contributions to the early space program, the modernization of computer programming, the development of a vaccine to combat the *COVID-19* virus, and serving in positions of power in boardrooms, the education system, medicine, politics, and the military. This month we honor women for being the foundation upon which this nation was built.

NOW, THEREFORE, I, Rocio Treminio-Lopez, Mayor of Brentwood, Maryland, do hereby proclaim March 2023 as *WOMEN'S HISTORY MONTH* and encourage everyone to observe this month by acknowledging the history and challenges faced by Women

ATTEST:

IMPORTANT MESSAGE-Vehicle Thefts

Maryland Vehicle Theft Prevention Council Urges Hyundai, Kia Owners to Get Free Updates Following TikTok Challenge Thefts

(PIKESVILLE, MD)–The Maryland Vehicle Theft Prevention Council is urging motorists who own certain makes and models of Hyundai and Kia cars to reach out to the automakers for a free security software update following a nationwide surge in thefts that led to at least 14 crashes and eight fatalities.

The theft deterrent software is designed for millions of Hyundai and Kia vehicles that lack an immobilizer. The upgrade is available free of charge to vehicle owners. As part of the software update, the theft alarm software logic will extend the length of the alarm sound from 30 seconds to one minute and now requires the key to be in the ignition switch to turn the vehicle on.

The software upgrades were announced following a viral TikTok social media challenge which showed viewers how to hotwire the vehicles. About 3.8 million Hyundais and 4.5 million Kias are eligible for the update, according to the National Highway Traffic Safety Administration (NHTSA).

To see if your vehicle is eligible for the free updates, contact Hyundai at 1-800-633-5151 or Kia at 1-800-333-4542. Hyundai, which launched its service campaign last month, is first offering a software upgrade to car owners with the following vehicle models:

> *2017 – 2020 Elantra*
> *2015 – 2019 Sonata*
> *2020 – 2021 Venue*

According to the NHTSA, Hyundai will send customers a window sticker alerting would-be thieves that the vehicle is equipped with anti-theft protection. Hyundai will send out the stickers and roll out software updates in a phased approach, with subsequent phases over the next several months. Kia is also rolling out its free software updates in a phased approach.

The Maryland Vehicle Theft Prevention Council reports that there are several commonsense steps you can take to reduce the chances of your vehicle being stolen. This includes:
- Never leave your key alone in the vehicle.
- Close and lock all windows and doors when you park.
- Always Park in well-lit areas.
- Never leave valuables within site in your vehicle

El Consejo de Prevención de Robo de Vehículos de Maryland Insta a los propietarios de Hyundai y Kia a obtener actualizaciones gratuitas después de los robos del desafío TikTok

(PIKESVILLE, MD)–El Consejo para la Prevención del Robo de Vehículos de Maryland insta a los automovilistas que poseen ciertas marcas y modelos de automóviles Hyundai y Kia a que se comuniquen con los fabricantes de automóviles para obtener una actualización gratuita del software de seguridad luego de un aumento nacional de robos que provocó al menos 14 accidentes y ocho muertes.

El software antirrobo está diseñado para millones de vehículos Hyundai y Kia que carecen de inmovilizador. La actualización está disponible de forma gratuita para los propietarios de vehículos. Como parte de la actualización del software, la lógica del software de la alarma antirrobo extenderá la duración del sonido de la alarma de 30 segundos a un minuto y ahora requiere que la llave esté en el interruptor de encendido para encender el vehículo.

Las actualizaciones de software se anunciaron luego de un desafío viral en las redes sociales de TikTok que mostró a los espectadores cómo conectar los vehículos. Alrededor de 3,8 millones de Hyundai y 4,5 millones de Kia son elegibles para la actualización, según la Administración Nacional de Seguridad del Tráfico en las Carreteras (NHTSA).

Para ver si su vehículo es elegible para las actualizaciones gratuitas, comuníquese con Hyundai al 1-800-633-5151 o con Kia al 1-800-333-4542. Hyundai, que lanzó su campaña de servicio el mes pasado, ofrece primero una actualización de software a los propietarios de automóviles con los siguientes modelos de vehículos:
- *Elantra 2017-2020*
- *Sonata 2015-2019*
- *2020 – 2021 Lugar*

Según la NHTSA, Hyundai enviará a los clientes una calcomanía en la ventana para alertar a los posibles ladrones de que el vehículo está equipado con protección antirrobo. Hyundai enviará las calcomanías e implementará las actualizaciones de software en un enfoque por etapas, con fases posteriores durante los próximos meses. Kia también está implementando sus actualizaciones de software gratuitas en un enfoque por etapas.

El Consejo de Prevención de Robo de Vehículos de Maryland informa que hay varios pasos de sentido común que puede tomar para reducir las posibilidades de que le roben su vehículo. Esto incluye:
- Nunca deje su llave sola en el vehículo.
- Cierre y bloquee todas las ventanas y puertas cuando se estacione.
- Estacione siempre en áreas bien iluminadas.
- Nunca deje objetos de valor dentro del sitio en su vehículo

NATURE NOTES

We know that biodiversity is important for our planet and our existence, but it's declining at an alarming rate. To address this crisis, scientists suggest we protect 30% of the planet as nature preserves but creating them in Maryland state and national parks may not be enough. The good news is that we can make a difference by turning our backyards and local parks into native landscapes. By planting native plants, we provide essential habitat for the birds and butterflies and other pollinators and insects critical to healthy ecosystems and to producing our food. The more of us who do this together, the more habitat we provide. The Brentwood Native Plant Network is modeled on - and connected to - our neighbors through the Mt. Rainier Native Plant Network. Please join us on March 25 to learn what native plants are, how they benefit our yards and planet, where you can get seeds and plants for your yard, and how you can become part of this network across Route One. This event is sponsored by the Town of Brentwood Green Team and is organized and presented by neighbors. Please join us! We would like to offer Spanish interpretation so please email us at greensbrentwood@gmail.com if you could help with this.

Call for art: Part of the Network includes an educational and attractive yard sign to indicate that the yard is contributing to biodiversity. *We're seeking a Brentwood resident artist* to design this yard sign. Funds are available to pay the artist. For information on size, deadline, etc. contact greensbrentwood@gmail.com.

NOTAS DE LA NATURALEZA

Sabemos que la biodiversidad es importante para nuestro planeta y nuestra existencia, pero está disminuyendo a un ritmo alarmante. Para abordar esta crisis, los científicos sugieren que protejamos el 30% del planeta como reservas naturales, pero crearlas en los parques nacionales y estatales de Maryland puede no ser suficiente. La buena noticia es que podemos marcar la diferencia convirtiendo nuestros patios traseros y parques locales en paisajes nativos. Al plantar plantas nativas, proporcionamos un hábitat esencial para las aves y las mariposas y otros polinizadores e insectos críticos para la salud de los ecosistemas y para la producción de nuestros alimentos. Cuantos más hagamos esto juntos, más hábitat brindaremos. La Red de Plantas Nativas de Brentwood se basa en nuestros vecinos y está conectada a ellos a través de la Red de Plantas Nativas de Mt. Rainier. Únase a nosotros el 25 de marzo para aprender qué son las plantas nativas, cómo benefician a nuestros jardines y al planeta, dónde puede obtener semillas y plantas para su jardín y cómo puede formar parte de esta red a lo largo de la Ruta Uno. Este evento es patrocinado por el Equipo Verde de la Ciudad de Brentwood y es organizado y presentado por los vecinos. Por favor únete a nosotros! Nos gustaría ofrecer interpretación en español, así que envíenos un correo electrónico a greensbrentwood@gmail.com si puede ayudar con esto.

Convocatoria de arte: Parte de la Red incluye un letrero educativo y atractivo para el patio para indicar que el patio está contribuyendo a la biodiversidad. Estamos buscando un artista residente de Brentwood para diseñar este letrero de jardín. Los fondos están disponibles para pagar al artista. Para obtener información sobre el tamaño, la fecha límite, etc., comuníquese con greensbrentwood@gmail.com

CODE ENFOCEMENT

Structural Egress windows (or doors) are required in every habitable space; especially in any room used for sleeping purposes, it will require its own egress window.

Remodeler: if you have an existing home and you want to add a sleeping room, or finish a separate living space in the basement, the code requires that you install an egress window to serve these spaces. (Without a means of egress, these rooms can become a dangerous firetrap, if you do not have a quick and easy operable emergency escape window.) If you have a basement that has a bedroom, recreation room, den, family room, media room, office, or home gym, the are required to have a point of egress/escape.

Basement Egress (exit) Window Requirements

The bottom of the egress window opening cannot exceed 44" from the finished floor.

The minimum opening area of the egress window is 5.7 square feet.

The minimum egress window opening height is 24" high.

The minimum egress window opening is 20" wide

The egress window must have a glass area of not less than 8% of the total floor area of rooms for which it is servicing to allow the minimum amount of sufficient natural light.

The egress window must have an opening area of not less than 4% of the total floor area of rooms of which it is serving to allow the minimum amount of natural ventilation.

Multiple windows can be used to service a single area where one window does not meet these percentages of total floor area. As long as the totaled amounts from this combination of windows, meet or exceed the 8% for natural light and 4% for natural ventilation.

BEFORE   AFTER

DE LA OFICINA DE APLICACIÓN DE CÓDIGOS

Se requieren ventanas (o puertas) de salida en cada espacio habitable; Especialmente en cualquier habitación utilizada para dormir, requerirá su propia ventana de salida.

Remodelador: si tiene una casa existente y desea agregar un dormitorio o terminar un espacio de estar separado en el sótano, el código requiere que instale una ventana de salida para estos espacios. (Sin un medio de salida, estas habitaciones pueden convertirse en una trampa de fuego peligrosa, si no tiene una ventana de escape de emergencia fácil y rápida de operar). Si tiene un sótano que tiene un dormitorio, una sala de recreo, un estudio, una sala familiar, una sala multimedia, una oficina o un gimnasio en casa, se requiere que las habitaciones tengan un punto de salida/escape.

Requisitos de la ventana de salida del sótano

La parte inferior de la abertura de la ventana de salida no puede exceder las 44" del piso terminado.

El área de apertura mínima de la ventana de salida es de 5,7 pies cuadrados.

La altura mínima de apertura de la ventana de salida es de 24" de alto.

La apertura mínima de la ventana de salida es de 20" de ancho

La ventana de salida debe tener un área de vidrio de no menos del 8% del área total del piso de las habitaciones a las que da servicio para permitir la cantidad mínima de luz natural suficiente.

La ventana de salida debe tener un área de apertura de no menos del 4% del área total del piso de las habitaciones de las que sirve para permitir la cantidad mínima de ventilación natural.

Se pueden usar múltiples ventanas para dar servicio a una sola área donde una ventana no cumple con estos porcentajes del área total del piso. Siempre que los montos totales de esta combinación de ventanas alcancen o excedan el 8% para luz natural y el 4% para ventilación natural.
